

Dear Professor Bellamy,

REF : PORTMOAK MOSS

As you may recall, I contacted you earlier this year regarding our campaign to save a local wood from private ownership. At the time you were kind enough to send us a message of support which we used to raise local awareness.

Our target was to raise £20,000 as the communities share of the purchase price, the remaining £60,000 to be raised by Woodland Trust.

*The Appeal Committee is proud to announce that we have made it!* Woodland Trust are optimistic that they will also be successful. This means that we must turn our thoughts to a Grand Opening Ceremony for next Spring when the purchase should be complete. To this end it would greatly appreciated if you could attend as our Guest of Honour and perform a simple opening ceremony.

It is recognised that you are a very busy man with great demands put on your time. However, as I am sure you will agree with us, such an event deserves to be celebrated and publicised as widely as possible. Your presence would give the event due recognition and status.

If you are able to support us then we would arrange the date of the opening ceremony to suit your convenience.

Yours sincerely,

Bob Spilsted - Member of Portmoak Moss Appeal Committee
