### **Brief Notes from Short meeting pre-Christmas meal**

Xmas tree debrief: the day was a success Pre-cut trees were efficient and seemed successful, attendance bit less than last year but still raised just over £1,000. Scots pines were popular. Thanks to helpers Sandy and Iain.

Burns Ceilidh – Decision made between committee by email not to hold it this year since cost of tickets would be high and risk of not selling enough to cover costs. Will maybe organize informal Burns get together for committee.

Need to think in advance about promotion and possible sponsors for next year, eg to donate haggis/whisky.

### Some ideas for alternative community engagement for this year

Easter (9<sup>th</sup> April) bunny egg hunt at Chris's place – Nic is great ambassador for our group amongst young families

June midsummer Jazz at Chris's place - maybe series of concerts

**Louise liaising with Andrew Lear** for apple tree grafting

### AOB

Need to plant new apple trees ASAP

Birchpull organized for 17<sup>th</sup> Jan

WT website page for volunteer opportunities, very sparse and doesn't include us for birch pulling. Got potential new volunteer at Xmas tree event– **Stuart** will send form for him to complete

Susan Ford is offering small oak trees for planting.

Chris new plaque – fix and celebrate at Chris' place – maybe during blossom?

Next meeting – Jan 17<sup>th</sup>
